EDUCATION

B.E Mech
S.S.J.C.E.T Asangaon
Mumbai University
2013 – 2017

SKILLS

- Node.js
- Express.js
- MongoDB
- Redis
- Bullmq
- Typescript
- REST APIs
- Socket.io
- Git
- Postman
- PM2
- HTML & CSS

MAHESH YENNAM

NODE.JS BACKEND DEVELOPER

SUMMARY STATEMENT

Node.js Backend Developer with hands-on experience in building scalable backend systems, RESTful APIs, and real-time applications. Passionate about clean architecture, performance optimization, and collaborative development.

EXPERIENCE

Node.js Backend Developer

Wharf Street Studios | Oct 2022 – Present

- Developed backend services for Epiko Regal, Epiko World, Epiko Valley, and Epiko Hub
- Built RESTful APIs using Node.js and Express
- Implemented real-time bidirectional communication using Socket.io
- Optimized backend processes for performance and scalability
- Worked in agile, cross-functional teams to deliver production-ready feature

PROJECTS

Node.js Projects

Tech: Node.js, Express.js, MongoDB, Redis, BullMQ, CLI Tools

- Built a Todo List application with CRUD operations
- Developed a Weather App integrating third-party APIs
- Created a URL Shortener with redirection and analytics
- Implemented OTP Verification for secure authentication flows
- Designed an Employee Management System
- Developed a Simple Chat Application using real-time communication
- Implemented File Upload and Image Upload functionality
- Added Caching with Redis to improve application performance
- Implemented Email Queue Processing using BullMQ
- Built multiple CLI-based applications including: Language Translation

JavaScript Programs & Mini Projects

Tech: JavaScript (ES6), HTML, CSS

- Implemented core algorithmic programs including Factorial, Fibonacci Series, Prime Number, Palindrome, and Leap Year Checker
- Built interactive browser-based utilities such as Simple Calculator, Stopwatch, Digital Clock, and Timer
- Developed logic-based games including Guess the Number, Match the Colors, and Find the Zero
- Focused on clean logic, DOM manipulation, and user interaction
